

iFax's fair usage policy ("FUP") is designed to prevent fraud and abuse of our products. iFax's products are for individual use only in accordance with iFax terms and policy and this FUP ("Legitimate Use"). The following is a non-exhaustive list of practices that would not be considered Legitimate Use:

Using subscriptions for marketing or promotional operations;

Re-selling subscription faxes and/or credits;

Sharing subscriptions between users whether via a PBX, computer or any other means;

Unusual faxing patterns inconsistent with normal, individual subscription use, for example, regular fax to multiple/incorrect numbers in a short period of time.

Other practices may be relevant in determining Legitimate Use and iFax reserves the right to take any unlawful, prohibited, abnormal or unusual activity into account in making its determination. iFax may at its option, terminate or suspend its relationship with you, and your use of any iFax product immediately if it determines that you are using the product contrary to this FUP.

Subscriptions

Subject to this FUP, iFax's unlimited subscriptions allow unlimited faxes to landlines in the applicable subscription countries (excluding special, premium, service and non-geographic numbers) for the time period specified at the time of purchase. Unlimited fax to mobiles may also be included at the discretion of the Company
